The arena of the 75th hunger games

Eventually, Katniss and Peeta must face off with Cato, the only other surviving tribute, but before that they are all pursued by wild dogs which are actually genetically mutated dogs used to make the arena more dangerous. They decide to team up with some of the others. They agree to send one member of the group into the arena in order to create an alliance with some of the others. The Hunger Games are over, but before that they are all pursued by wild dogs which are actually genetically mutated dogs used to make the arena more dangerous.

The only one left and goes to Snows' mansion which has supposedly been opened to shelter Capitol children. Bombs placed in their supply packages kill many of these children and a rebel medical team, including Katniss' sister Prim. President Snow is found guilty, but he tells Katniss that the final assault that killed Prim was ordered by President Coin. When Katniss is supposed to execute Snow, she decides to kill Coin instead. Katniss is acquitted due to her apparent insanity and returns to her home in District 12.

More than twenty years later. She is married to Peeta and they have two children. The Hunger Games are over, but she dreads the day her children learn the details of their parents' involvement in both the Games and the war. When she feels upset, Katniss has taken to reminding herself of every good thing that she has ever seen someone do.
Book 1: The Hunger Games

Katniss Everdeen is a hunter who provides food for her family. Her father is dead and she takes care of her little sister and mother.

Each year, the capital of Panem organizes an Event called ‘The hunger games’ where 1 girl and 1 boy of all the 12 districts have to fight each other to death. Unfortunately, the sister of Katniss gets picked. Katniss doesn't want her to die and she decides to take her place. The boy who gets picked, Peeta, secretly has a crush on Katniss.

During the opening ceremony of the hunger games, Katniss and Peeta draw a lot of attention because of their fearless look. Because of Katniss' Archery skills she gains a lot of popularity.

The president shows Katniss and Peeta a part of the Capitol and how glamorous it is. However, President Snow asks Katniss to 'kill' her own sister in the hunger games.

Book 2: Catching Fire

A year after winning the 74th Hunger Games, Katniss Everdeen and Peeta Mellark must go on what is known as the Victor’s Tour, which means that they have to visit every district and to celebrate that they have won. But before leaving, Katniss is visited by President Snow who fears that Katniss has caused a rebellion because of her acts which made Peeta and her win. He tells Katniss that while on tour she better try to make sure that she puts out the flames or else everyone she cares about will be in danger. He threatens her family, Gale, Peeta and Haymitch. Almost everyone she loves.

Katniss tries to minimize the risk of a riot but unfortunately she fails to do that. So President Snow decides to organize what is known as the Quarter Quell, the right to make a change to the Hunger Games...

Book 3: Mockingjay

After her rescue by rebels, Katniss reluctantly agrees to become “the Mockingjay”, a symbol of the rebellion against the Capitol. As part of a deal, she demands that the leader of District 13, President Coin, grants immunity to all of the victors of the Hunger Games. She also demands that the Capitol be destroyed.

In a daring rescue, Peeta and other victors are rescued from the Capitol. However, Peeta has been brainwashed into hating Katniss, and they all her upon his return. Katniss and her team flee further into the Capitol with the intention to kill President Snow.
